USEFUL INFORMATION

ACTIVITIES DURING THE PROGRAMME

The programme is designed to be fun and have something that appeals to all children. We've just picked out the highlights of the day in the schedule - but around the main activities there are also organised sports and games, craft activities, quiet time activities and free play activities.

SIGNING IN

It is your responsibility to ensure your child arrives at the programme safely and is signed in with the Supervisor. Unless you have booked overtime, please drop off no earlier than 8.50am. If your child will not be attending a day they are booked on, please ring H²O Xtream on 04 527 2113. If a child does not arrive and we have not received a phone call we will phone you to check the whereabouts of the child.

SIGNING OUT

Children not booked on PM overtime must be signed out by an authorised person before 3.30pm. If your child has your permission to make their own way home, please indicate on the booking form, otherwise your child will not be permitted to leave the programme. If there is no note you will be expected to collect your child and late fees will be incurred at the following rates: 15 - 30 mins late \$15, 30 - 40 mins late \$20, \$5 for every 10 mins thereafter. An invoice will be sent and non payment will affect future bookings.

CANCELLATIONS

For three or more working days notice, a refund less \$5 admin fee will be made. There are no refunds for cancellations made with less than two working days notice. However, if your child is sick a refund will be made less \$5 admin fee, upon presentation of a doctor's certificate.

MEDICAL CONDITIONS & MEDICATION

It is important we know if your child has a medical condition or is on medication. Please indicate anything that may assist us on the booking form and do discuss with the Supervisor at the start of programme, especially if medication is to be taken during programme hours.

VALUABLES

For example, mobile phones, MP3 players etc are brought at your own risk. We do not accept any responsibility for the loss or damage of these items and encourage you to keep them at home.

* Use of mobile phones/electronic games are restricted during the programme.

ACCIDENT/INJURY

In the event of a serious accident or injury, we will contact the parents and/or the emergency contact immediately. Please supply as many numbers as you can including your cell phone and work phone.

WHAT TO BRING

Please ensure your child arrives each day with lunch, snacks and liquids (water bottle) as well as the appropriate gear for the activities:

Craft Days old clothes or over shirt; **Swimming Days** togs & towel;

Sports Days trainers, light clothing; **Outdoor Days** sunscreen and sunhat when sunny, warm clothing and raincoat when raining.

Please note: We are walking to most Upper Hutt venues. Also we may go for a swim at H²O Xtream at times not stated on the brochure. Please bring togs & towel every day.

LOST PROPERTY

Please name your child's belongings and check the lost property box at the programme whilst it is running. Lost property can be collected from H²O Xtream up to 4 weeks after the programme has finished, but after this time it will be donated to charity.

BEHAVIOUR POLICY

To ensure that all children have fun and are safe, we have policies for dealing with misbehaviour and we reserve the right to remove any child from the programme.

Please note that laser pointers, cigarettes, matches, lighters, alcohol etc are banned and parents will be informed.

'NO EXCEPTIONS' POLICY

The H²O Xtream Holiday Programme operates a 'no exceptions' policy towards children with special needs, in that we try to accommodate and make our activities as inclusive as possible.

Please do tell us if your child has special needs and please be advised that if your child normally has a caregiver in attendance during school that they are required to have a caregiver for the duration of the holiday programme. There may be a trial period for your child.

HELP WITH PAYING FOR YOUR CHILDCARE

The H²O Xtream Holiday Programme is OSCAR approved. This means the programme adheres to a high standard of care and parents may be eligible for a subsidy through WINZ.

For more information, and to find out if you qualify, please ring WORK AND INCOME on tel: 0800 599 009.

VENUE

Both holiday programmes operate from the same venue, however the programmes are still run separately with each age group assigned their own Supervisors, leaders, activities and trips.

Some activities are appropriate for both age groups. Overtime remains mixed age-groups as normal.

At short notice we may need to change venue due to Riverstone Recreation commitments, but we will endeavour to provide as much advance notice as possible.

The programme is secular and has no religious content.

SPENDING MONEY

On some trips there is the opportunity to purchase snacks, treats or gifts. We recommend no more than \$5 is provided to your child.
