Note - status of Council roads

Council roads are not designated. For the purposes of clarity, formed Council roads have also been shown without zoning colours on the Planning Maps (ie – they are white). However, activities which take place within them are still subject to the relevant zone rules which pertain to the area in which the road is situated, as well as the City-wide rules. Where a road separates different zones on opposite sides of the road, the centre line of the road defines the boundary of the two zones.
