Land transport

Street works - Corridor Access Request (CAR) fees

Corridor access request fees cover the costs of administering the CAR process and undertaking the verification inspections of the work.

They have been set to a lump sum for each of the work categories contained within the “National Code of Practice for Utilities’ Access to Transport Corridors” and have been set at a level that reflects the expected work load applicable to each work category.

All CAR’s will attract a fee.

The definitions of each work category are as per the National Code.

Minor works	\$69.00
Major works	\$149.00
Project works	\$1,185.00

Council is prepared to carry out compaction testing using a soils impact tester on request, the fee will be per visit to site as follows:

Bonds

Contractors who have been excluded from having the right to work within the city as described in *clause 4.6.2 of schedule c, attachment 1 – 'Local Conditions – Hutt City and Upper Hutt City'*, shall be required to pay a bond to Council prior to the CAR being issued.

The bond shall be an amount as calculated by Council as the possible reinstatement of any work which may be left uncompleted by the contractor or may not be completed to standard by the contractor. The bond shall take into account the previous track record of the contractor concerned.

Chip sealing fee

A fee to cover the resurfacing of the seals less than four years of age in place of the existing requirement under clause 5.6.4 of the National Code of Practice for Utilities Access to Transport Corridors – Hutt Valley Local Conditions.	per square metre	\$5.80
--	------------------	--------

Overweight permit fees

To cover vetting, issuing and, where appropriate, the bridge supervision for an overweight load that starts and finishes its journey in Upper Hutt City or for a load traversing that for some reason has not had a permit issued by Transit NZ.

No bridges involved - single permit	\$84.00
Fee where structural checking required - single permit	\$169.00
Additional fee where bridge supervision required	\$84.00
Continuous permit	\$169.00
Re-issue of identical continuous permit	\$84.00

Note: The above fees for overweight permits are minimum fees. Actual costs will be charged where the time to process or supervise exceeds the allowed time.

Encroachment licence fee

To assess, process, and issue an encroachment licence for work carried out within the legal road including: \$132.00

- The construction of a structure (e.g. garage, carport or retaining wall),
- Erecting a fence outside the property boundary,
- The allocation of an outdoor dining area on a footpath or parking area,
- The erection of permanent or long-term signs and advertising hoardings.

Liquor licensing

Default fees as set under regulation by the Ministry of Justice

The Sale and Supply of Alcohol Act 2012, which replaces the Sale of Liquor Act 1989, came into full force on 18 December 2013. The new fee system more fairly reflects the cost of alcohol licensing.

The new laws require a premises' cost/risk rating to be determined.

The table below shows the method by which the cost/risk ratings are determined. For example, a tavern (scores 15) closing at 11:00 pm (scores 3) with two enforcements in the last 18 months (scores 20) would have an overall cost/risk rating of 38.

TYPE OF LICENSED PREMISE	SCORE 1	+	LATEST ALCOHOL SALES TIME	SCORE 2	+	NUMBER OF ENFORCEMENTS IN LAST 18 MONTHS	SCORE 3	
Liquor store, supermarket, grocery off-license	15	+	On-licenses and clubs before 2.01am; Off-licenses before 10.01pm	0	+	None	0	
Night clubs, taverns, adult premises, 'Class 1' restaurants	15	+	On-licenses and clubs 2.01- 3.01am; Off-licenses before 10.01pm and later	3	+	1	10	
Off-license in a tavern	10	+	On-licenses and clubs – all other closing times	5	+	2	20	
Hotels, function centres, 'Class 1' clubs, 'Class 2' restaurants	10	See next page for definitions						
Remote sales, 'Class 2' clubs, 'Class 3' restaurants, other	5							
Theatre/cinemas, wine cellar doors, BYO restaurants, 'Class 3' clubs	2							

Definitions

<p>Class 1 restaurants – restaurants with a significant separate bar area which, in the opinion of the relevant Territorial Authority (TA), operate that bar at least one night a week in the nature of a tavern, such as serving alcohol without meals to tables situated in the bar area.</p>	<p>Class 1 clubs – clubs which, in the opinion of the TA, are large clubs (with 1,000 or more members of purchase age) and which, in the opinion of the relevant TA, operate in the nature of a tavern (for example a large working men's club, combined clubs, or large 'cossie' clubs).</p>
<p>Class 2 restaurants – restaurants that have a separate bar (which may include a small bar area) but which, in the opinion of the relevant TA, do not operate that area in the nature of tavern at any time.</p>	<p>Class 2 clubs – clubs which do not fit class 1 or class 3 definitions (for example larger sports clubs, medium sized RSAs, many provincial social clubs).</p>
<p>Class 3 restaurants – restaurants that only serve alcohol to the table and do not have a separate bar area.</p>	<p>Class 3 clubs - clubs which, in the opinion of the TA, are small clubs (with fewer than 250 members of purchase age) and which operate a bar for 40 hours or less per week (for example small sports clubs like bowling clubs, golf clubs, bridge clubs, and small RSAs).</p>

Fee category, rating and corresponding costs

The total score from the above table determines the application fee and annual renewal fee.

FEE CATEGORY AND COST/RISK RATING SCORE		APPLICATION FEE	ANNUAL FEE
Very low	0-2	\$368.00	\$172.50

Trade waste

Administration of Trade Waste Consents

The management of the Trade Waste Consents is undertaken by the Hutt City Council who, as the Wastewater Authority, administers the Hutt Valley Trade Waste Bylaw 2006 on behalf of both councils.

Trade waste consent charges are payable by all businesses with consents to discharge trade wastes into the Hutt Valley wastewater system. The scale of consent charges has been set to provide for the recovery of trade waste administration, monitoring and inspection costs. Some dischargers may generate sufficient wastes to also merit paying trade waste user charges.

The following table sets out the consent fee and user charges rates. The trade waste user charges may vary annually due to variations in plant operational cost indices such as gas prices or electricity.

To check on the rates applicable contact the Trade Waste Officers at:

Hutt City Council
30 Laings Road
Lower Hutt

Phone: 570 6666

Discharge type	CONSENT FEES	CONSENT PLUS \$165 IF CONDITIONAL CONSENT IS REQUIRED
