DETAILS OF FURTHER SUBMISSION

- REVISED *JP*

To **SUPPORT** or **OPPOSE** (circle one) the submission of:

Ian Douglas Stewart, Submitter # 3

(Please state the name and address of the person making the original submission and the submission number).

The particular parts of their submission that I support or **oppose** are:

"1. The Proposal generally" - Mr Stewart states that he supports the plan change, & he asks Council to approve it "without modifications in regards to the provisions above" which includes "1. The proposal generally"

(Please clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of proposed Plan Change 42. Please use additional sheets if necessary).

The reasons for my support or **opposition** are:

SOM opposes the request that Council approve the plan change proposal generally & without modification, because we are aware of concerns in the community regarding many aspects of PC 42, and because to date both GWRC & URCC have failed to genuinely engage with the community and address those concerns.

(Please give precise details and use additional sheets if necessary)

I seek that the whole of the submission be **allowed** / **disallowed** (circle one)

OR

I seek that the following parts of the submission be allowed or disallowed:
