

Form 7  
Notice of appeal to Environment Court against decision  
on proposed policy statement or plan

*Clause 14(1) of First Schedule, Resource Management Act 1991*

To the Registrar  
Environment Court  
Wellington,

I, Alan Dennis Jefferies, appeal against a decision of Upper Hutt City Council on the following plan change:42.

I made a submission on that plan change.

I received notice of the decision on the 11<sup>th</sup> April 2018.

The decision was made by Upper Hutt City Council.

The part of the decision that I am appealing is:

The Hazard planning maps in proposed plan change 42.

The reasons for the appeal are as follows:

Section 13 RMA imposes strict control by regulation with respect to the bed of any river, therefore the spatial extent of the bed of the Mangaroa River must be shown on the proposed map.

The proposed maps make no attempt whatsoever to show this essential information.

I seek the following relief:

That the proposed maps are amended to show spatially the bed of the Mangaroa river or otherwise that the plan change be withdrawn, due to the fact that the deficient maps are an integral part of plan change 42.

I attach the following documents\* to this notice:

- (a) a copy of my submission.
- (b) a copy of the relevant decision.
- (c) any other documents necessary for an adequate understanding of the appeal:
- (d) a list of names and addresses of persons to be served with a copy of this notice.

\* These documents must be attached and lodged with the notice in the Environment Court. The appellant does not need to attach a copy of a regional or district plan or policy statement. In addition, the appellant does not need to attach copies of the submission and decision to the copies of the notice served on other persons if the copy served lists these documents and states that copies may be obtained, on request, from the appellant.
