**DETAILS OF SUBMISSION**

The specific provisions of the proposed Plan Change that my submission relates to are as follows:

The Flood Hazard Area on Rural Planning Map no 25

My submission is that:

I object to my property at Gorrie Road LOT 2 DP78392 being included in the Flood Hazard area on Planning Map 25. The Mangaroa river Flood Modelling is questionable particularly in relation to its level of accuracy. Whilst records for the Mangaroa River have only been taken by the Regional Council since 1977 members of my family have been in the area for more than 55 years and neighbours much longer and I strongly dispute that ponding could happen on my property which is also more than 1.5 Km away from the Mangaroa River.

*(Please state in summary the nature of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons. Please use additional sheets if necessary)*

I seek the following decision from the local authority:

Removal of my property from being notated on the District Plan as a Flood Hazard Area

*(Please give precise details and use additional sheets if necessary)*
