DETAILS OF FURTHER SUBMISSION

The support or oppose (circle one) the submission of: **NZDF**

The particular parts of their submission that support or oppose are:

The adverse reverse sensitivity effect on NZDF activity

(Please clearly indicate which parts of the original submission you support or oppose together with any relevant provisions of Proposed (Private) Plan Change 40. Please use additional sheets if necessary)

The reasons for my support or opposition are:

As Heretaunga Pistol Club is a publicly based club having facilities within an area under the control of NZDF and used for NZDF activities and as the said area is a Defence Purpose Area as defined in the current District Plan where firearms are used we would require that the same reverse sensitivity protection for any NZDF facility affected by this proposal would extend to all clubs within the Defence Purpose Area and specifically Heretaunga Pistol Club in regards to range usage and the clubs development and activities, this protection should be included within the proposal as this would provide protection for the clubs growth and continued development.

I seek that the whole of the submission be **allowed/disallowed** (circle one).

OR

I seek that the following parts of the submission be allowed or disallowed:
