I could gain an advantage in trade competition through this submission

No

The specific provisions of the proposed Plan Change that my submission relates to are as follows

Mangaroa Valley

My submission is that

Stop the population in Mangaroa / Whitemans Valley increasing by over a 1/3 The roading in the valleys cannot currently service the houses already there. This is a rural area not residential. I do support the reduction in blocks but only down to 5 acres and NOT the highly residential plans around the school and church and not allowing those with large blocks to reduce them

I seek the following decision from the local authority

Revise the plan
